

GSAT - How It Works (Summary)

Add new GSAT in 'My Files' and confirm applicant's details and submit

Applicant then receives an email asking them to click on the link and use the log in details provided

Applicant logs onto Quadratica portal and starts GSAT

EC Pro user gets an Email to confirm pass or fail. Certificate is sent to candidate and is automatically uploaded into the GSAT box

The box will update to amber and 'Actions taken' shows ">> requested by John Brown on 09/06/2022 12:34:59"

GSAT takes around 60-90 minutes
There are 6 modules with pictures and videos
Followed by a 40-question test
The applicant has 2 attempts to pass

Status of all GSAT's can be viewed in Tracking > GSAT
