**FCRA COMPLIANCE and ACCURACY**

**1.1 FCRA COMPLIANCE.** Customer is responsible for its compliance with the FCRA, as well as any applicable state and local consumer reporting laws. Without in any way limiting the foregoing: (a) Customer shall request Consumer Reports from Company for a permissible purpose for obtaining Consumer Reports as defined by FCRA §604 and applicable state and local law. (b) Prior to requesting a Consumer Report, Customer shall identify the permissible purpose under FCRA §604 and applicable state and local law for which the Consumer Report (or information from such report) is to be furnished; and certify that the Consumer Report shall be used for no other purpose. (c) Customer shall establish and comply with reasonable procedures designed to ensure that each Consumer Report (or information from such report) is used only for a purpose for which the report may be furnished under FCRA §604 and applicable state and local law, including providing the information and certifications required by FCRA §607(a) and applicable state and local law including identifying the nature of the Customer's business, certifying the Customer's permissible purpose(s) for obtaining Consumer Reports, and agreeing that such Consumer Reports shall be used for no other purpose. In the event that a Consumer Report is obtained for employment purposes, Customer shall provide the certifications required by FCRA § 604(b) and applicable state and local law. (d) Customer may archive, maintain or use Consumer Reports for audit and disaster recovery purposes, as well as complying with Customer's obligations under the FCRA, similar state laws or other applicable law.

**1.2 ACCURACY.** Fama Technologies, Inc. gathers information from accounts which we have associated with Em Davis. This may or may not be information that was generated by Em Davis and could or may be the result of account/computer hacking, although we attempt to determine whether such illegal activity is or was associated with the account.

Learn to enjoy Chaotic Good vs Evil and how little one should want to participate in anything that repeshed your nigger as in any away. Start fighting for your happiness then you punk bitch and see how little magic you need to try being nice you punk bitch. You want it. Here it is. Your blackhole shit...you stupid science will be better then metaphysic ignorant ass violently stupid....violently stupid to ask for this black hole shit from Ben./ Benjamin invokes nothing for your ass. Steer clear bitch...steer clear of your technology without the purest intent on what your really want to do to yourself and especially other and always should this poor object caught up in your passions and know it there to aid you if it belongs to you bitch. Not material possion but spiritual possion. Always assume you have what you need to accomplish what needs to happen now and go forward. If it cant happen now Know your nigger ass better not be fucking around trying to interduce things to your personal time stream finding out how little you want the viscious bitch in existance and wrap our mind around how something like Amazon is both our biggest problem and our salvation if we are honest about your intentions about anything. I want to quit hitting based off this black hole hub creation bullshit you miss the fucking point on bitch good bye and fuck you with your good luck bitch!!!!

A toxic workplace sucks the life out of you. It's okay to leave. Top 10 questions to see if your workplace is affecting you. Do I: Experience frequent drama? Dread going to work each day? Feel constantly stressed at work? Have a healthy work-life balance? Have enough support to do my job? Have happy teammates around me? Feel undervalued or unappreciated? Feel healthy and well because of work? Feel safe and respected in my workplace? Have unrealistic expectations placed on me? If you feel dread or stressed because of work, it may be time to consider new options to restore sanity and well-being to your life. It's okay to leave. Seek better options for yourself. Maybe where you are is not the right place for you any longer. PS. What would help you move on from a toxic culture? Share to spread well-being and freedom.
